

Collins Stewart appointed Nomad and Broker to Camper & Nicholsons Marina Investments Limited

London, 13 February 2009. Collins Stewart is pleased to announce that it has been appointed as nominated advisor and broker to Camper & Nicholsons Marina Investments Limited (“CNMI”)

“Camper and Nicholsons” is the leading global brand in yachting dating from 1782. CNMI came to the market in January 2007 and raised €50m for the acquisition, development, redevelopment and operation of an international portfolio of both new and existing marinas and related real estate in the Mediterranean, the United States and the Caribbean. The company’s key marina assets are in Malta, Turkey and Grenada. CNMI aims to consolidate a highly fragmented market and deliver a compelling investment case for marinas as an undervalued asset class. The company also provides Marina consulting services and operates marinas on behalf of others on long-term contracts.

In corporate broking, the account will be lead by Bruce Garrow.
